(b) You may, however, store the RDT Software on the System in both temporary and permanent storage, and the associated storage media may be utilized for backup purposes.

## 5. TERM AND TERMINATION

(a) This Agreement will continue until terminated. (b) You may terminate this Agreement at any time by destroying all copies of the RDT Software Products, including the associated storage media and Documentation, and erasing all copies of the RDT Software Products in both temporary and permanent storage. (c) RainDance may terminate this Agreement immediately upon the breach by You of any term hereof. The RDT Software Products are provided "AS IS" and RainDance do not and cannot warrant the performance or results You may obtain by using the RDT Software Products. RainDance will have no obligation under this Agreement to correct any bugs, defects or errors in the RDT Software Products or to otherwise support or maintain the RDT Software Products. RainDance makes no warranty with respect to performance specifications of the RDT Software. You acknowledge and agree that RainDance may modify or cease supporting the RDT Software Products at any time with or without notice and the entire risk of using the RDT Software Products is borne by You. RAINDANCE MAKES NO WARRANTIES, CONDITIONS, REPRESENTATIONS, OR TERMS (EXPRESS OR IMPLIED, WHETHER BY STATUTE, COMMON LAW, CUSTOM, USAGE, OR OTHERWISE) AS TO ANY MATTER, INCLUDING WITHOUT LIMITATION TO IMPLIED WARRANTIES OF MERCHANTABILITY, TITLE, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT OF THIRD PARTY RIGHTS, MERCHANTABILITY, INTEGRATION, SATISFACTORY QUALITY, OR FITNESS FOR ANY PARTICULAR PURPOSE.

## 7. LIMITATION ON DAMAGES

THE LIABILITY OF RAINDANCE WILL IN NO EVENT EXCEED ONE HUNDRED DOLLARS (U.S. \$100.00). YOU ACKNOWLEDGE AND AGREE THAT THE RISKS OF LOSS HEREUNDER ARE REFLECTED IN THE FACT THAT THE RDT SOFTWARE PRODUCTS ARE LICENSED AT NO CHARGE TO YOU, AND THAT THESE TERMS WOULD HAVE BEEN DIFFERENT IF THERE HAD BEEN A DIFFERENT ALLOCATION OF RISK.

## 8. COMPLIANCE WITH LAW

You must not receive, download, ship, transfer or otherwise export or re-export the RDT Software Products or any underlying information or technology (or direct product thereof) except in full compliance with all United States and other applicable laws and regulations, including, but not limited to, the United States Export Administration Act or any other export laws, restrictions or regulations (collectively the "Export Laws"). In addition, if the RDT Software Products are identified as export controlled items under the Export Laws, You represent and warrant that You are not a citizen of, or otherwise located within, an embargoed nation, and that You are not otherwise prohibited under the Export Laws from receiving the RDT Software Products. All rights to use the RDT Software Products are granted on condition that such rights are forfeited if You fail to comply with the Export Laws or the terms of this Agreement.

## 9. SURVIVAL

The terms of this Agreement will survive except for Sections 1 and 2, except for the phrase "but only a limited right of use which is revocable in accordance with the terms of this Agreement" in Section 3(c), except for Section 4(b), except for Sections 5(a), (b) and (c), and except as otherwise expressly provided herein.

## 10. GOVERNING LAW

This Agreement will be governed and interpreted in all respects by the laws of the United States of America and the Commonwealth of Massachusetts as such laws are applied to agreements entered into and to be performed entirely within Massachusetts between Massachusetts residents, without regard to conflicts of laws and provisions thereof. The parties agree that the United Nations Convention on Contracts for the International Sale of Goods is specifically excluded from application to this Agreement. You irrevocably submit to the nonexclusive personal and subject matter jurisdiction of the state and federal courts located in Middlesex County, Massachusetts. Notwithstanding the foregoing, RainDance may apply to any court of competent jurisdiction for temporary or preliminary injunctive relief.

## 11. SEVERABILITY

In the event that any provision of this Agreement is unenforceable or invalid under any applicable law or held by a court of competent jurisdiction, such unenforceability or invalidity shall not render this Agreement unenforceable, or invalid as a whole, and, in such event, any such provision will be changed and interpreted so as to best accomplish the objectives of such unenforceable or intended provision within the limits of applicable law or applicable court decisions.

## 12. GOVERNMENT END USERS

If You are an agency, department, general contractor or subcontractor (at any tier) or other entity of the United States government ("Government"), the use, duplication, reproduction, release, modification, disclosure or transfer of RDT Software Products, or of any related documentation of any kind, including technical data, is restricted in accordance with Federal Acquisition Regulation ("FAR") 12.212 for civilian agencies and Defense Federal Acquisition Regulation Supplement ("DFARS") 227.7202 for military agencies. monetary damages would not be an adequate remedy and that the RainDance is entitled to equitable relief (including, without limitation, injunctions) in addition to any other remedies it may have hereunder or at law. (b) The License and the Agreement are not assignable or transferable by You without the prior written consent of RainDance; any attempt to do so will be void. RainDance may transfer or assign any of its rights or obligations under this Agreement without notice and your consent. (c) No failure to exercise, and no delay in exercising, on the part of either You or RainDance, any privilege, any power or any rights hereunder will operate as a waiver thereof, nor will any single or partial exercise of any right or power hereunder preclude further exercise of any other right hereunder. Please contact RainDance if You would like information on contacting a certain third party licensor. TERMS AND CONDITIONS FOR USE, REPRODUCTION, AND DISTRIBUTION

#### 1. Definitions.

"License" shall mean the terms and conditions for use, reproduction, and distribution as defined by Sections 1 through 9 of this document.

"Licensor" shall mean the copyright owner or entity authorized by the copyright owner that is granting the License.

"Legal Entity" shall mean the union of the acting entity and all other entities that control, are controlled by, or are under common control with that entity. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"You" (or "Your") shall mean an individual or Legal Entity exercising permissions granted by this License.

"Source" form shall mean the preferred form for making modifications, including but not limited to software source code, documentation source, and configuration files.

"Object" form shall mean any form resulting from mechanical transformation or translation of a Source form, including but not limited to compiled object code, generated documentation, and conversions to other media types.

"Work" shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in or attached to the work (an example is provided in the Appendix below).

"Derivative Works" shall mean any work, whether in Source or Object form, that is based on (or derived from) the Work and for which the editorial revisions, annotations, elaborations, or other modifications represent, as a whole, an original work of authorship. For the purposes of this License, Derivative Works shall not include works that remain separable from, or merely link (or bind by name) to the interfaces of, the Work and Derivative Works thereof.

"Contribution" shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an individual or Legal Entity authorized to submit on behalf of the copyright owner. For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the Licensor or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Licensor for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by the copyright owner as "Not a Contribution."

"Contributor" shall mean Licensor and any individual or Legal Entity on behalf of whom a Contribution has been received by Licensor and subsequently incorporated within the Work.

2. Grant of Copyright License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare Derivative Works of, publicly display, publicly perform, sublicense, and distribute the Work and such Derivative Works in Source or Object form.

3. Grant of Patent License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by such Contributor that are necessarily infringed by their Contribution(s) alone or by combination of their Contribution(s) with the Work

to which such Contribution(s) was submitted. If You institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Work or a Contribution incorporated within the Work constitutes direct or contributory patent infringement, then any patent licenses granted to You under this License for that Work shall terminate as of the date such litigation is filed.

4. Redistribution. You may reproduce and distribute copies of the Work or Derivative Works thereof in any medium, with or without modifications, and in Source or Object form, provided that You meet the following conditions:

- a. You must give any other recipients of the Work or Derivative Works a copy of this License; and
- b. You must cause any modified files to carry prominent notices stating that You changed the files; and
- c. You must retain, in the Source form of any Derivative Works that You distribute, all copyright, patent, trademark, and attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part of the Derivative Works; and
- d. If the Work includes a "NOTICE" text file as part of its distribution, then any Derivative Works that You distribute must include a readable copy of the attribution notices contained within such NOTICE file, excluding those notices that do not pertain to any part of the Derivative Works, in at least one of the following places: within a NOTICE text file distributed as part of the Derivative Works; within the Source form or documentation, if provided along with the Derivative Works; or, within a display generated by the Derivative Works, if and wherever such third-party notices normally appear. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided that such additional attribution notices cannot be construed as modifying the License.

You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.

5. Submission of Contributions. Unless You explicitly state otherwise, any Contribution intentionally submitted for inclusion in the Work by You to the Licensor shall be under the terms and conditions of this License, without any additional terms or conditions. Notwithstanding the above, nothing herein shall supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.

6. Trademarks. This License does not grant permission to use the trade names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the content of the NOTICE file.

7. Disclaimer of Warranty. Unless required by applicable law or agreed to in writing, Licensor provides the Work (and each Contributor provides its Contributions) on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are solely responsible for determining the appropriateness of using or redistributing the Work and assume any risks associated with Your exercise of permissions under this License.

8. Limitation of Liability. In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or agreed to in writing, shall any Contributor be liable to You for damages, including any direct, indirect,

special, incidental, or consequential damages of any character arising as a result of this License or out of the use or inability to use the Work (including but not limited to damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses), even if such Contributor has been advised of the possibility of such damages.

9. Accepting Warranty or Additional Liability. While redistributing the Work or Derivative Works thereof, You may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity, or other liability obligations and/or rights consistent with this License. However, in accepting such obligations, You may act only on Your own behalf and on Your sole responsibility, not on behalf of any other Contributor, and only if You agree to indemnify, defend, and hold each Contributor harmless for any liability incurred by, or claims asserted against, such Contributor by reason of your accepting any such warranty or additional liability.
